PROFESSIONAL SUMMARY

Professional translator with 6+ years of experience helping businesses communicate clearly and effectively across French, English, and German markets. I specialize in website translation, SEO localization, and business content, ensuring every translation is not only linguistically accurate but also culturally relevant and performance-driven.

My work goes beyond translation, I help brands connect with global audiences, improve engagement, and expand into new markets with confidence. Known for delivering high-quality work under tight deadlines, I combine precision, speed, and a strong understanding of business communication.

CORE COMPETENCIES

- Multilingual Translation (French ⇄ English ⇄ German)
- Website & SEO Localization
- Business, Marketing & Legal Translation
- CAT Tools (SDL Trados, MemoQ, Smartcat)
- Proofreading & Quality Assurance
- Terminology Management
- Cross-Cultural Communication
- Content Optimization for Global Audiences

PROFESSIONAL EXPERIENCE

1. Freelance Translator (2019 – Present)

- Translated 500,000+ words across marketing, business, and web content for international clients
- Delivered SEO-optimized translations that improved content visibility and audience engagement
- Adapted brand messaging for different cultural markets while maintaining tone and intent
- Managed multiple high-volume projects with consistent on-time delivery

- Built long-term client relationships through reliability, accuracy, and responsiveness
2. Translator - Forefront International (2020 – 2022)
 - Provided high-quality translations for global clients across business, legal, and digital content
 - Ensured linguistic accuracy and cultural relevance across multilingual projects
 - Collaborated with project managers and QA teams to maintain consistency and meet deadlines
 - Worked with CAT tools and translation memory systems to improve efficiency and quality
 3. Translator | Language Clarity (2022 – Present)
 - Delivered professional translations for corporate, marketing, and website localization projects
 - Maintained consistency in terminology and style across large-scale multilingual assignments
 - Contributed to high-priority, deadline-driven projects requiring precision and speed
 - Supported clients in adapting content for international markets
